

LANGLEY FOREST SCHOOL

LANGLEY'S ENVIRONMENTAL STEWARDSHIP PROGRAM

JOIN OUR TEAM - EARLY CHILDHOOD EDUCATOR
SEPTEMBER 2023 start - PART-TIME (11hrs/wk).

~ \$29hr starting wage

(for those with limited or no outdoor experience and increases with experience and forest practitioner training qualifications if you have them.) This starting wage includes ECE WE at \$4/hr.

LFS is seeking applications for an energetic, enthusiastic, creative, caring and compassionate, self-motivated Early Childhood Educator who is passionate about our 100% OUTDOOR Forest pedagogy preschool program. The successful candidate will be training with our ECE Forest Practitioners, organizing and implementing a stimulating, dynamic forest preschool programme that encourages a holistic view of child development. If you can envision yourself joining our team and submerging yourself completely outdoors for our preschool day, we would love to receive your application.

LFS is a play-based, place-based child-emergent, all outdoors, all-weather forest preschool that follows a September to June curriculum (with Spring and Winter Breaks off) for 3-5 year old children. This position is based in the Municipal Natural Park in Langley, BC, Monday and Wednesday for 4 hours each day (9:30-1:30). There are additional paid daily prep hours so work day is 8:30 - 2. There will be a mentorship training programme in place. Opportunity to pick up Sub hours in other classes.

LFS offers a competitive wage, benefits bonus, paid vacation and sick days and holidays, clothing allowance, professional development funds and opportunities, with time and supplies to implement program-specific strategies, all in a close-knit community school with a strong Board and Operations team.

If there is a qualified applicant who can provide a strong commitment to the school, LFS may be able to arrange funds for the right candidate to obtain forest practitioner training.

If you are interested in joining our team, please submit a resume, and upon request be able to provide three reference contacts, ECE certification, and First Aid certificate to hr@langleyforestschool.com.
